OUR STORY

Golf term, golf brand. Simple, right? Sort of. Waggle’s origin is obviously there, but, like you, you’ll find our roots extend well beyond the tee box...

See, we’re rooted as much on the course as we are the deer stand and the duck blind. In coastal escapes, mountain adventures and cabins in the woods. We’re rooted in early mornings on the water and late nights around the campfire, happy hours at the local brewery and weekends on the family farm. In lacing up the skates, and in casting a line. Inspired by fresh air and open spaces, we’re rooted in all the things that make us, us—and all the things that make you, you.

Like trees to a forest, we’re rooted in the elements that give us life. These hobbies, interests and passions are what inspire

us daily to create apparel that makes you say, “Wow, this was made for me.” Because, really, it was.

But, in case it wasn’t obvious by the roosters on our shirts, we’re not all introspect and sentiment. We’re equally about having a good time as striking an emotional cord. Like the best Dad jokes, we’re a little bit punny, a little bit out there and a whole lot to love (we think so, at least).

If you’re game to stick around, we’re pretty confident you’ll find something you like. And, if not, don’t wander too far—your aha moment is probably just around the cart path (or hunting trail, if that’s more your thing).

READY TO GET YOUR WAGGLE ON?®

WAGGLE
noun /'wægl/
a golfer’s unique club movement made above the ball prior to taking a stroke
